

Dear New Students,

On behalf of the Department of Accountancy and Law of the Hong Kong Baptist University, I would like to extend a warm welcome to all of you to our Bachelor of Commerce (Honours) in Accountancy programme. That you were selected from a huge pool of outstanding applicants attests to your academic achievements and your potential as a professional accountant and business leader in the future - your hard work and effort finally paid off.

Although you are no stranger to life and study in a tertiary institution, my colleagues and I hope that you would not take the coming time with us as just another two years of routines leading to a professional degree. We assure you that the coming time here will include learning a lot of new things, getting many exciting experiences, and meeting lots of interesting people (who said that accounting professors are boring?).

We hope you will have a rewarding and successful academic year, and are looking forward to meet you in September.

Best regards,

Davy Wu, PhD
Programme Director
